September 2024

Athenry Camogie Club – Club Day 2024

The club got to celebrate 120 years of the camogie association last Sunday the 29th of September in Carnaun. The wind and rain didn't dampen spirits as all members took part in activities from our youngest stars right up to our soaring stars! The day started with blitzes for our U6's up to U10's. This was followed up by a disco, some face painting along with some treats! Our U11's to U15's got to compete in several fun activities such as tug of war, cross bar challenge and Puc fada. While 'some of our Senior and Junior players conducted a meet n' greet with our the stars of the future and the U12 White team were presented with their 2023 championship cup medals

It was a really special occasion to have so many members of our club all together. A huge thank you to all the organisers but especially to all the volunteers who helped out on the day. We would like to give a special mention to St Mary's, Brady's Butchers, our face painters Sinead and Fiona, Brian the DJ, our traffic stewards, Martin Whyte and the Defence Forces, Mike Loughnane BBQ chef extraordinaire, our photographers Cathy and Caitriona, to everyone who brought food and of course our food/beverage servers who worked tirelessly all day. Finally, Athenry Camogie Club executive would like to thank the Club Day Committee for the organisation of such a wonderful occasion.
